

OVERNIGHT LANE RESTRICTIONS

Westbound Century Boulevard

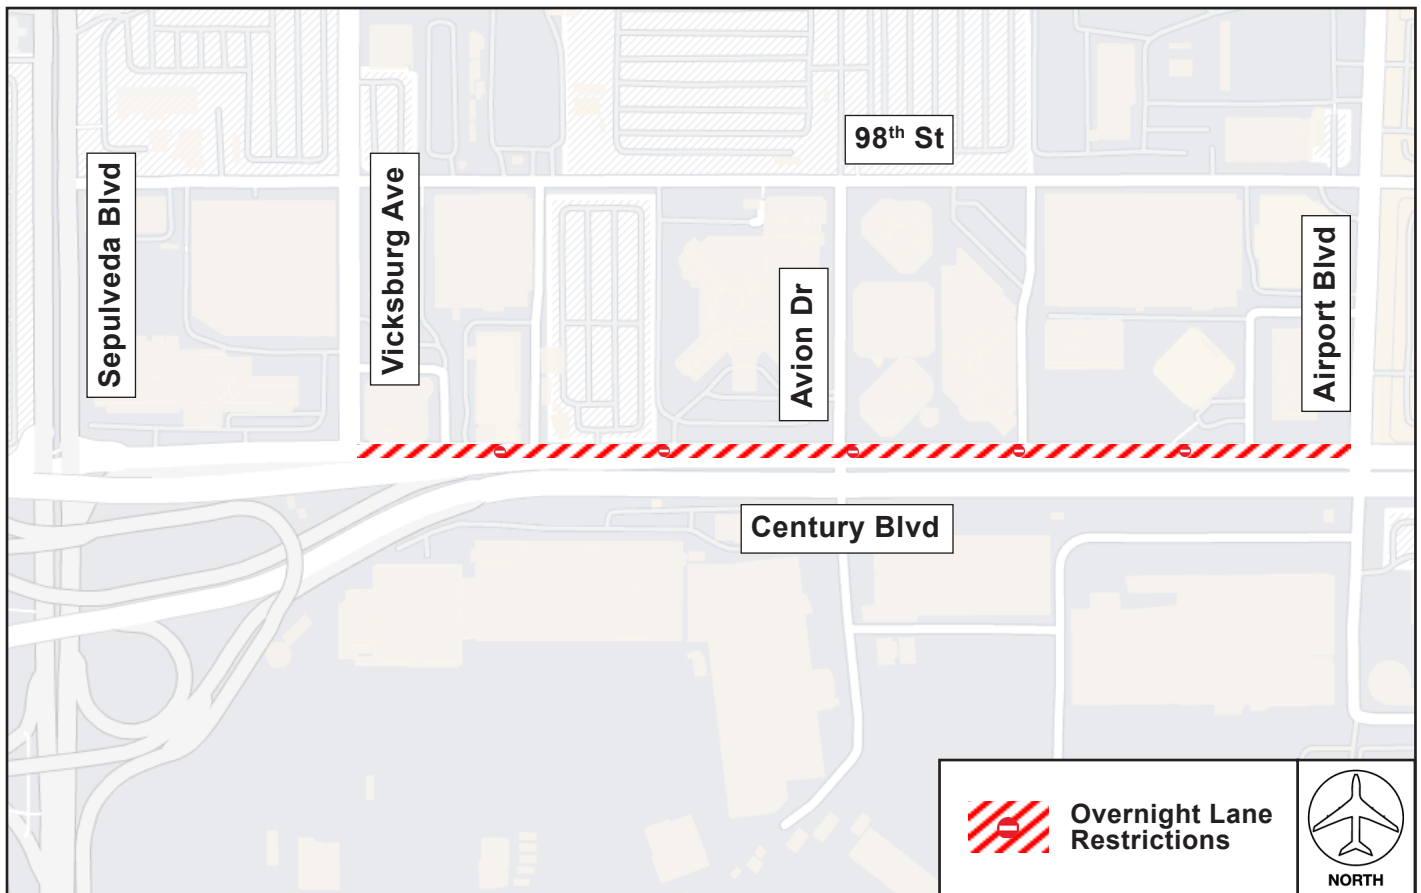

Saturday, July 22 at 10PM through Sunday, July 23 at 6AM

ACTIVITY

To facilitate roadway striping and Krail removal, the Automated People Mover Project will restrict three lanes on westbound Century Boulevard between Airport Boulevard and Vicksburg Avenue beginning Saturday, July 22 at 10PM through Sunday, July 23 at 6AM.

One westbound lane will be maintained during this time. Eastbound Century Boulevard is not impacted by this work, but a single EB lane remains closed 24/7 for other roadway improvements by the APM Project.

Signage will be in place and vehicular / pedestrian traffic / access will be maintained at all times. Please use caution when traveling near construction areas.
